

WORKMAPV2

Credentials

Admin:

Username: admin@workmap.com

Password: admin@workmap.com

Users:

Username: simha@gmail.com password: simha@gmail.com

Login page:

URL: <https://workmapv2.herokuapp.com/login>

There are two types of accounts:

- 1.Admin account
- 2.Employee account

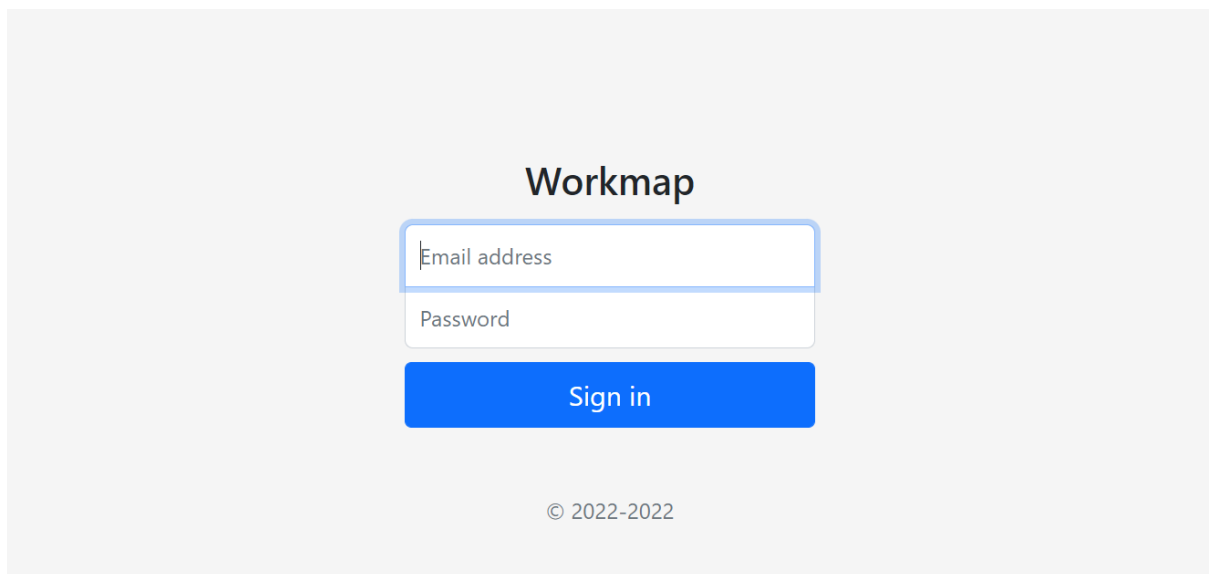

A screenshot of the Workmap login page. The page has a light gray background. In the center, the word "Workmap" is displayed in a bold, black, sans-serif font. Below the title, there are two input fields: the first is labeled "Email address" and the second is labeled "Password". Both fields have a light blue border. Below the password field is a blue button with the text "Sign in" in white. At the bottom center of the page, there is a small copyright notice: "© 2022-2022".

User_Info page:

URL: https://workmapv2.herokuapp.com/user/data/{USER_ID}

Description:

- 1.Displays information about activities of the employee :
 - 1.Piechart representing previous day activities
 - 2.Piechart representing present day activities
 - 3.Stocked bar graph representing the cumulative duration spent on each activities per week by an employee. It represents information from five past weeks.
- 2.This page provides the admin a filtering option where the admin can select any date before the present date and look into the activity details of the employee on that day.The page after filtering shows a piechart and a table representing the activities done by the employee on that day
- 3.This page also provides the admin the power to suspend the account of an employee.The toggle button that can be seen in the fig below can be used for suspending the account. An employee whose account is suspended cannot login until the admin gives permission for login.
